

Tradeglaze (Lincoln) Ltd
Aluminium Estimator Vacancy Reference ID: AL/02/12/2020

Job Description

The position is open to an enthusiastic and conscientious individual, who can work under pressure to meet deadlines. You must be willing to learn and develop with a growing and dynamic company. A knowledge of Logikal estimating software, CAD software and aluminium windows, doors and curtain walling is advantageous to the role. An eye for detail is essential.

Key Responsibilities and Duties:

- You will be assisting the team to produce accurate quotations and tenders for existing and potential customers, interested in buying our residential and commercial aluminium glazing systems using Logikal.
- Working closely with the sales team, customers and industry professionals of all levels, providing them with technical product support and advice.
- Collecting necessary information from technical drawings and bills of quantities to provide an accurate quotation.

Position Requirements:

- Can display the proven ability to quickly gain knowledge of product ranges and their applications
- Are commercially focused and able to work effectively in a busy and deadline driven environment
- Excellent communication skills, diplomacy and tact
- Ability to work using own initiative and as part of a team
- Willingness to undertake further self development, training
- Commitment and enthusiasm
- Clean smart appearance

Benefits:

- Pension scheme
- On-site parking
- Competitive salary
- 28 days holiday (including bank holidays)

Experience:

- Logikal (Preferred)
- Estimating

Education:

- GCSE in Maths and English
- A Level in Maths

Skills:

- Microsoft Office 365
- IT literate
- AutoCAD

Job Type: Full-time, Permanent

Salary: From £22,000.00 per year
